

# Park Rules

## In these rules

“Occupier” means anyone who occupies a park home, whether under an agreement to which the Mobile Homes Act 1983 applies or under a tenancy or any other agreement.

“You” and “your” refers to the homeowner or other occupier of a park home.

“We” and “our” refers to the park owner.

These rules are in place to ensure acceptable standards are maintained on the park, which will be of general benefit to occupiers, and to promote and maintain community cohesion. They form part of the Agreement by which homeowners occupy the pitch in accordance with the Mobile Homes Act 1983, as amended.

## Condition of the Pitch

1. Occupiers should maintain their plot in a tidy condition. For reasons of ventilation and safety you must keep the underneath of your home clear and not use it as a storage space.
2. You must not erect fences or other means of enclosure unless they are concrete or metal to comply with Fire Regulations and you have obtained our approval in writing (which will not be unreasonably withheld or delayed). You must position fences and any other means of enclosure so as to comply with the park’s site licence conditions and fire safety requirements.  
No external alteration or addition to the home or pitch is permitted without the park owners permission (which will not be unreasonably withheld or delayed.)
3. You must not have external fires, including incinerators.
4. You must not keep inflammable substances on the park except in quantities reasonable for domestic use.

7. You must not have any storage receptacle on the pitch other than the sheds mentioned in rule 6 and any receptacle for the storage of domestic waste pending collection by the local authority.
8. You must ensure that any shed or other structure erected in the separation space between park homes is of non-combustible construction and positioned so as to comply with the park’s site licence conditions and fire safety requirements. The separation space is the space between your park home and any neighbouring home.

## Refuse

9. You are responsible for the disposal of all household, recyclable and garden waste in approved containers through the local authority service. You must not overfill containers and must place them in the approved position for the local authority collections.

You must not use the park home, the pitch or the park (or any part of the park) for any business purpose, and you must not use the park home or the pitch for the storage of stock, plant, machinery or equipment used or last used for any business purpose. However, you are at liberty to work individually from home by carrying out any office work of a type which does not create a nuisance to other occupiers and does not involve other staff, other workers, customers or members of the public calling at the park home or the park.
