The spacious open-plan living area is wonderfully light and airy thanks to the glazed façade and skylights over the lounge area. Here, a comfortable lounge suite provides the perfect place to sit back and relax, and to the dining area, a pendant light over the extending dining table creates a lovely ambience for entertaining.

The Accent is available in a range of standard floor plans, examples of which are shown above. We can modify the floor plans to suit your individual requirements. Please contact our sales team for more details.
